Special Edition

Plan to do your part-and a little bit more- to make Dixie Run 13 a run to remember for all our guests. Here is a preliminary list of games and duties discussed at last meeting. The name listed is responsible for whatever is needed to put on the game. Round up your own help from some of the rest of the members not busy at that time. You need to have a scorer and MAKE A TROPHY for the winner. Score sheets will be provided for you. If your name is not listed for a trophy, make up your own category and build a trophy for it. Just let me know by rod run time so I can add it to the list. Any questions about the games, call me or the members of the game committee. Hang on to this list and use it. Participate!!!!

OK. If any of you cannot do any of these assignments for any reason, please call me at 372-8050 so that it can be reassigned. Otherwise, we're all depending on you to carry your end of it. Pray for cool weather and no rain. Get out in the middle of it, smile, have a good time and all our guests will, too. Here's to Dixie Run 13 being the best one yet. I can't wait!!!!!!!

We have permission from the Holiday Inn to cut weeds and clean up the woods, so we will have a little work detail late one afternoon the week before the rod run. We'll finalize the date at the next club meeting. And don't forget the next meeting which will be the third annual goodie bag packing party at our house Sunday afternoon, June 2 at 4 p.m. Note the time change. Bring your items for the goodie bags and help us pack them. We've gotten several freezers of ice cream volunteered, but could use a couple of more. See you then.
