

MISSISSIPPI STREET ROD ASSOCIATION NEWSLETTER

April 21, 1992

Special Edition

Plan to do your part-and a little bit more- to make Dixie Run 14 a run to remember for all our guests. Here is a list of games and duties discussed at earlier meetings. Look at it real closely and make a note of the ones you are responsible for. The name listed is responsible for whatever is needed to put on the game. If for some reason you are unable to take care of your assignment, let us know now so it can be reassigned. Round up your own help from some of the rest of the members not busy at that time. You need to have a scorer AND MAKE A TROPHY for the winner. Score sheets will be provided for you. If your name is not listed for a trophy, make up your own category and build a trophy for it. Just let me know by rod run time so I can add it to the list. This year at the trophy presentation time, each of you will be presenting your own trophy to the car you picked. So plan to be there for that.. Any questions about the games, call John or Jackie or Jack. Please hang on to this list and use it. Participate!!!! Don't wear yourself out. Take a break and rest some, but on the other hand don't sit on your -chair- all day long and watch the rest of us work, either. There's plenty to be done, all day, so if everyone does their share it will be fun. Even though your name's not on this list as being responsible for a game or trophy, your help is needed just as much.

If any of you cannot do any of these assignments for any reason, please call Jackie or Jack or me right now so that it can be reassigned. Otherwise, we're all depending on you to carry your end of it. Pray for cool weather and no rain. Get out in the middle of it, smile, have a good time and all our guests will, too. Here's to Dixie Run 14 being the best one yet. I can't wait!!!!!!!

And don't forget the June club meeting which will be the third annual goodie bag packing party at Jack's house Sunday afternoon, June 7 at 4 p.m. Note the time change. Bring your items for the goodie bags and help us pack them. After the bags are all finished, we'll eat some ice cream. We've gotten a couple of freezers of ice cream volunteered, but could use a couple of more. Call Jack if you need directions. See you then.
