

DIXIE RUN WRAPUP

Well over two hundred fine rods representing over 70 street rod clubs from eleven states drove in to Jackson for the sixteenth edition of Dixie Run. The car count, though down a bit from last year's record crowd, was just the right size to make the food, parking space, and door prizes go around just right. All of you did a fine job of making the run a smooth one. The outpouring of generosity from everyone to the appeal for help for a fellow street rodder was the crowning touch to a fun weekend. Over \$4500 was raised and sent to Bo Laird to help in his battle with Lou Gehrig's disease. It proves once again that street rodders are some of the most caring people in the world. Also, we received several complementary phone calls, letters, and newsletter comments on Dixie Run 16. So I think number 16 was another great one. Cooney was as usual..Well..Cooney. The food was as fantastic a thing as you could believe, all the trophies were outstanding and everyone's efforts were extra good. But I'm glad it's over til next year, Huh?

BITS & PIECES

From the Vicksburg Cruisers newsletter we see that long time car builder Howard Green in Crystal Springs is retiring from business and has a lot of stuff to sell. The Cruisers are planning an excursion to his shops on Sunday August 28 at about 2 p.m.. If you'd like to go along with them, you can. ....The Round ones and the Howells made it up to Oxford for the 4 buds run. Sammie's Chevy won a trophy....The round ones , Creels and Siffords went to Crossett to their run. The Round one won another award from the Arkansas rodders. The Klassy Kruzers had over a hundred cars this year as their run continues to grow. It has grown so much, I tried 3 motels but couldn't get a room so we stayed home. So if you plan to go there next year, better get reservations early.....The Southern Wheels club at Pass Christian has been renamed the Southern Who street rod association. We wish them well as they continue to promote their January rod run at Diamondhead....Don't miss the MMCSMC Super Cruise Saturday night the 16th at the Richland Sonic on 49 south. They plan games, a 50/50 pot and top 10 trophies. Best of all, they have expanded the crowded parking area to the adjoining field-something they have always needed.....The August 12-14 run in Starkville will have a coke trailer as the grand prize. The run will be held at the Holiday Inn.....It looks like a good sized contingent from Mississippi will be attending the 25th anniversary NSRA Nats in Louisville KY. Looks like I'm gonna have to take Wayne T up there. I sure hope they have a go kart track in Derby town.
