MISSISSIPPI STREET ROD ASSOCIATION NEWSLETTER

Special Edition

Don't forget the June club meeting which will be the annual goodie bag packing party at Jack's house Sunday afternoon, June 12 at 4 p.m. Bring your items for the goodie bags and help us pack them. After the goodie bags are all finished, we'll eat some ice cream. We've gotten a couple of freezers of ice cream volunteered, but could use a couple more; and a cake or two. Call Jack if you need directions. See you then.

Plan to do your part-and a little bit more- to make Dixie Run 16 a run to remember for all our guests. Here is a list of games and duties discussed at earlier meetings. Look at it closely and make a note of the ones you are responsible for. The name listed is responsible for whatever is needed to put on the game. If for some reason you are unable to take care of your assignment, let us know now so it can be reassigned. Round up your own help from some of the rest of the members not busy at that time. You need to have a scorer AND MAKE A TROPHY for the winner. Score sheets will be provided for you. If your name is not listed for a trophy, make up your own category and build a trophy for it. Just let me know by rod run time so I can add it to the list. This year at the trophy presentation, each of you will be presenting your own trophy to the car you picked. Since we won't be driving all the cars through this year, please put together a few notes about your pick, so these can be read over the PA while the winner is coming to the stage. So plan to be there for that. Any questions about the games, call me or John or Jack. Please hang on to this list and use it. Participate!!!! Don't wear yourself out. Take a break and rest some, but on the other hand don't sit on your -chair- all day long and watch the rest of us work, either. There's plenty to be done, all day, so if everyone does their share it will be fun. Even though your name's not on this list as being responsible for a game or trophy, your help is needed just as much. Hang on to this list for future reference.

REMINDERS

Each goodie bag contains \$50 in play money. An additional \$10 will be given to each car number each time it enters a game. Give the money only once per car number, no matter how many people play the game under that car's number. Game winners will receive an additional \$10. Play money will be recorded by car number and must not be pooled with money from other car numbers. Grand prize winner must be present and must have a registered, driven, street rod entry. Trailered cars are not eligible for trophies. Cash drawing for wives and children: Winners must be present and be a wife or child of a registered entrant with a driven street rod. Please register your trophy picks on the master list at the stage by 9 a.m. Sunday morning so that the awards lineup can be figured out. Each member is responsible for getting five door prizes. Please help with this! Be sure to help out generously with the food for Friday night. We expect to feed 600+. Annette will be calling you about this. We want to have a safe run. Security will be on watch both Friday and Saturday nights from 11 p.m. til 6 a.m.

Pray for cool weather and no rain. Get out in the middle of it, SMILE, have a good time, and all our guests will, too. Here's to Dixie Run 16 being the best one yet.
