One interesting entry from Texas we just received is a '28 Studebaker sedan. That should be a big fine one. I talked with Coonie one night last week and he's looking forward to getting the microphone in hand for another year. What hat will he come up with this year? Come help pack the goodie bags Sunday afternoon. Looks like things are about ready to go, so let's all work hard to make this one a run to remember.

JUNE CLUB MEETING

The annual goodie bag packing party will be at my place on Sunday, June 11 at 4 o'clock. That's a little later than usual to start, but hopefully by starting later in the afternoon, the weather will be a bit cooler. Bring your stuff for the goodie bags and help us assemble them. Bring along a freezer of ice cream or a cake to enjoy after the work is done. Come join us.

This is a short letter this month, but there's still a lot of rod run stuff to do and not much time to do it.

Til next time, drive carefully....

Jack
