BITS & PIECES

We need to get that Club Participation Award in Brookhaven this weekend. T-Tommy says they have a record number of pre-registered entries, so it should be fun. **Ya'll come on!** **Sammie & Kim** attended the Dixie Rodders Mall Show in McComb. Their '37 came away with a top 10 trophy The **Round Ones** and **Howells** attended the R.O.D.S. Labor Day run in Baton Rouge. They said there were plenty of fine cars and a nice shaded area for the Run. I think the **Round One** liked the jambalaya too There was a contest in town to name the new bear club at the Jackson Zoo. **Miss Earle** won by naming the cub "Bama Bear." She won some prizes and gets to visit the bear any time she wants to. Probably beats hanging around with L.J. **Sammie & Kim** took their '37 to the Muscadine Festival Car Show in Pelahatchie. Won a Top 10 trophy **Joe & Lois** attended the Super Sonic Cruise last weekend I hear some of you are going to Singing River and some to Shreveport next weekend For those who don't go out-of-town that weekend, there is a Super Cruise at Bumper's in Ridgeland, sponsored by the Antique Vehicle Club on September 23 at 6:00 p.m.

GARAGE SCENE

The **Round One** is putting dual AC in his 40 panel truck Our new engine is finished and may be in the coupe by the time you read this **Dee Dukes** has a new back bumper on the "Big Stick" Chevy hauler Saw **Sam Hupperich** out cruising his blue sedan last week **Sammie and Kim** are shopping **Wayne T** still needs to fix the headlights on his '34 **Jackie** had most of the parts on his '46 pickup project dipped. TUESDAY CROOZE DAYS

Last Tuesday night we cruised to Jerry's Fish House and were joined by several of the **Vicksburg Cruisers Club**. We were kept entertained by **Sammie** and his gadget car. We could all see out the big window to where Sammie's rod was parked. When restaurant customers arrived, they'd all *naturally* go over to check out the rods. Sammie would key up the recorded laugh track. This only made the folks come closer, *which of course*, gave him the chance to squirt water on them through the gizmo on the radiator. *Well*, a group of folks came to the restaurant, bringing their *tiny elderly mother* along for what probably was her *99th birthday party*. *She insisted on taking a look at the '37*. **Yes, Howell even squirted the little old lady!!** The water soaking apparently kicked her pacemaker into overdrive. The last we saw of her, she was running down Highway 49 toward Gulfport, waving her arms and screaming, with her daughters in hot pursuit.

NEXT CLUB MEETING

A few weeks back, we met and cruised up to **River Bend Park for a picnic**. We had a good time and a good turnout. *So, Sunday, October 1 we're gonna do it again*. Here's the deal -- put together a picnic lunch, load the family, and **meet at Smith Wills Stadium parking lot**. *At 1:30 p.m. we'll pull out* for the cruise up the Natchez Trace to River Bend Park. We've invited the Classic Chevy Club to join us. With our rods and their classic 55-57 Bel Airs and Nomads, it should be one fine looking cruise up the Natchez Trace (about 15 miles). **Mark your calendar now and plan to join us!!**

Till next time, drive carefully
