39th ANNUAL DIXIE ROD RUN
Holiday Inn Hotel Bass Pro Drive Pearl, MS
March 17,18,19 2017

The Mississippi Street Rod Association is pleased to announce the 39th annual Dixie Rod Run. This show of pre-1949 vintage hot rods will attract hundreds of people to the Pearl area for the weekend. Entries from Illinois, Arkansas, Louisiana, Alabama, Florida, and throughout Mississippi have already been received. These car owners will be staying at local motels, dining in local restaurants, shopping in stores, buying auto parts and fueling their cars for the three days and nights they are here.

MSRA needs and appreciates your support. You can become a sponsor by purchasing an award plaque. This 7X9 plaque will have your business name engraved on it and you can attach a business card to the back. Cost of the plaque is \$25.00. All sponsors will have their names listed and mentioned from our PA system during the weekend. These awards will be given out at 4 p.m. Saturday March 19. You are invited to come and pick your favorite car or truck and present the trophy to them. If you cannot attend the presentation, you can let one of the show staff know your pick and we will see that they get the award.

We thank the city of Pearl for hosting our show and thank the Metro area businesses for their support through an award purchase. A member of our Association will be glad to sign this letter so that it will serve as a receipt for your donation in the form of the trophy purchase.
